Subject: server rack location

Bob,

The rack for the server and other hardware will be going in N245. I would like to meet with Jim prior to the installation to be sure we locate it in a spot that is acceptable to him. I have a 1:00 in Morrill that should be over by 1:30 or 1:45. If it works for you we can try to meet Jim then. Jim please let me know if this is alright with you.

Thanks,

Stephen
